CARGO AND BEYOND

Air Freight

We excel in providing integrated air freight service that includes air cargo transportation, custom clearance and international deliveries through a vast network of offices across the globe. Our fast, safe and prompt service to each and every corner of the world makes us a preferred and trusted name in air freight services. Our constant endeavour is to help you realize your goals in time with supreme efficiency while incurring minimum logistics costs of air cargo transportation. Every time.

Sea Freight / Multi-Modal Transportation

Our multimodal transportation services are offered to both exporters and importers. A diverse and integrated inland transportation service covers warehousing door-to-door service and insurance for both domestic and foreign trade. We also offer efficient sea freight services to our esteemed clientele through accurate information on vessels, accumulated know-how and profound experience.

STRENGTHS & SERVICES

Customs Clearance

We offer our clients the services of customs clearance through verification and calculation of custom duty for import and export products. Various services related to declaration of incoming and outgoing cargoes are also offered to save time and cost to our customers. Further we provide specialized customs clearance consulting services also.

Logistics & Supply Chain Solution

For all exporters and importers of goods, warehouse has huge importance with respect to the safety and security of their cargo. Warehouse serves as a temporary storage for the goods before they are transferred to their final destination. We at Hindustan Cargo Ltd, work round-the-clock to maintain a state-of-the-art facility with full proof security for consolidation, storage and transportation of your valuable cargo. We also provide customized warehousing solution to our customers.
